## A WORD FROM THE PRESIDENT

Dear AREAA Supporter,

We express our gratitude for the privilege of presenting our sponsorship package for the AREAA Greater Seattle Chapter. The Asian Real Estate Association of America boasts 44 chapters throughout the United States and Canada, consisting of more than 18,000 real estate professionals.

Locally, we have a robust membership of 260+ individuals, who are ardent supporters of the AAPI real estate community. Our primary focus is to offer valuable resources and networking opportunities to our members.

Our mission is to champion sustainable homeownership opportunities in Asian American communities by providing a potent national voice for housing and real estate professionals that serve this dynamic market. Your organization is an essential partner in advancing this mission, without which we could not continue our efforts.

Our aspiration is that our partnership will be mutually beneficial and contribute to fostering a collaborative relationship between our organizations. We are thrilled at the prospect of working together to achieve our shared goals and objectives.

Collectively, we can create a more robust and dynamic community and industry that benefits all stakeholders involved.

Sincerely,

Peter Ryu
