The 3rd Annual Ottawa Tech Open

Thursday, June 4, 2026 | The Marshes Golf Club, Kanata, ON

ABOUT THE EVENT

The **3rd Annual Ottawa Tech Open** is back! Join us for a dynamic day connecting founders, investors, and key players in Ottawa's tech scene. This year's event will once again be held at The Marshes Golf Club, featuring 18 holes of golf, a boxed lunch, and an evening of cocktails and networking.

Not a golfer? No problem! Networking-only tickets are available. Join us for the evening reception, featuring a cocktail-style networking experience, delicious appetizers, a fun interactive networking game designed to spark new connections, and exciting raffle prizes. Don't miss this chance to expand your network and help strengthen Ottawa's vibrant tech community.

PROCEEDS TO SUPPORT SHEBOOT

SheBoot is a national non-profit founded in 2020 that prepares women tech entrepreneurs to pitch their businesses and secure investment. The company's annual program provides intensive training that culminates in a pitch competition for a minimum of \$300,000 in equity investment from a group of 30 women angel investors.

To date, SheBoot has mobilized 55 women angels who invested \$1.6 million, and supported 78 founders who collectively raised well over \$50 million in follow-on funding.
