VP of Communications

## Lifespan Research Institute

JAMES HALE

**Lifespan Research Institute**

Director of Strategic Partnerships

The background features a dark, semi-transparent image of a human skeleton, specifically the upper torso and head. Overlaid on the top left is a medical monitor interface. It includes a horizontal bar at the top with the text '67%' above it. To the right of the bar is a vertical axis with numerical labels: 12 00, 13 45, 15 27, 17 08, 18 49, 20 31, 22 12, 23 55, and 25 37. Small diamond-shaped markers are positioned on the left and right sides of the vertical axis.

# PANEL DISCUSSION SCHEDULE

5:15 - 7:15 PM

# INSIDE THE JOURNEY OF EARLY PLATFORM BUILDERS FOR AGING-FOCUSED BIOTECH

Moderator

NORIKO YOKOI

**3cubed.AI**
