

Mintlify Gala Lookbook

What should I wear to the cocktail party?

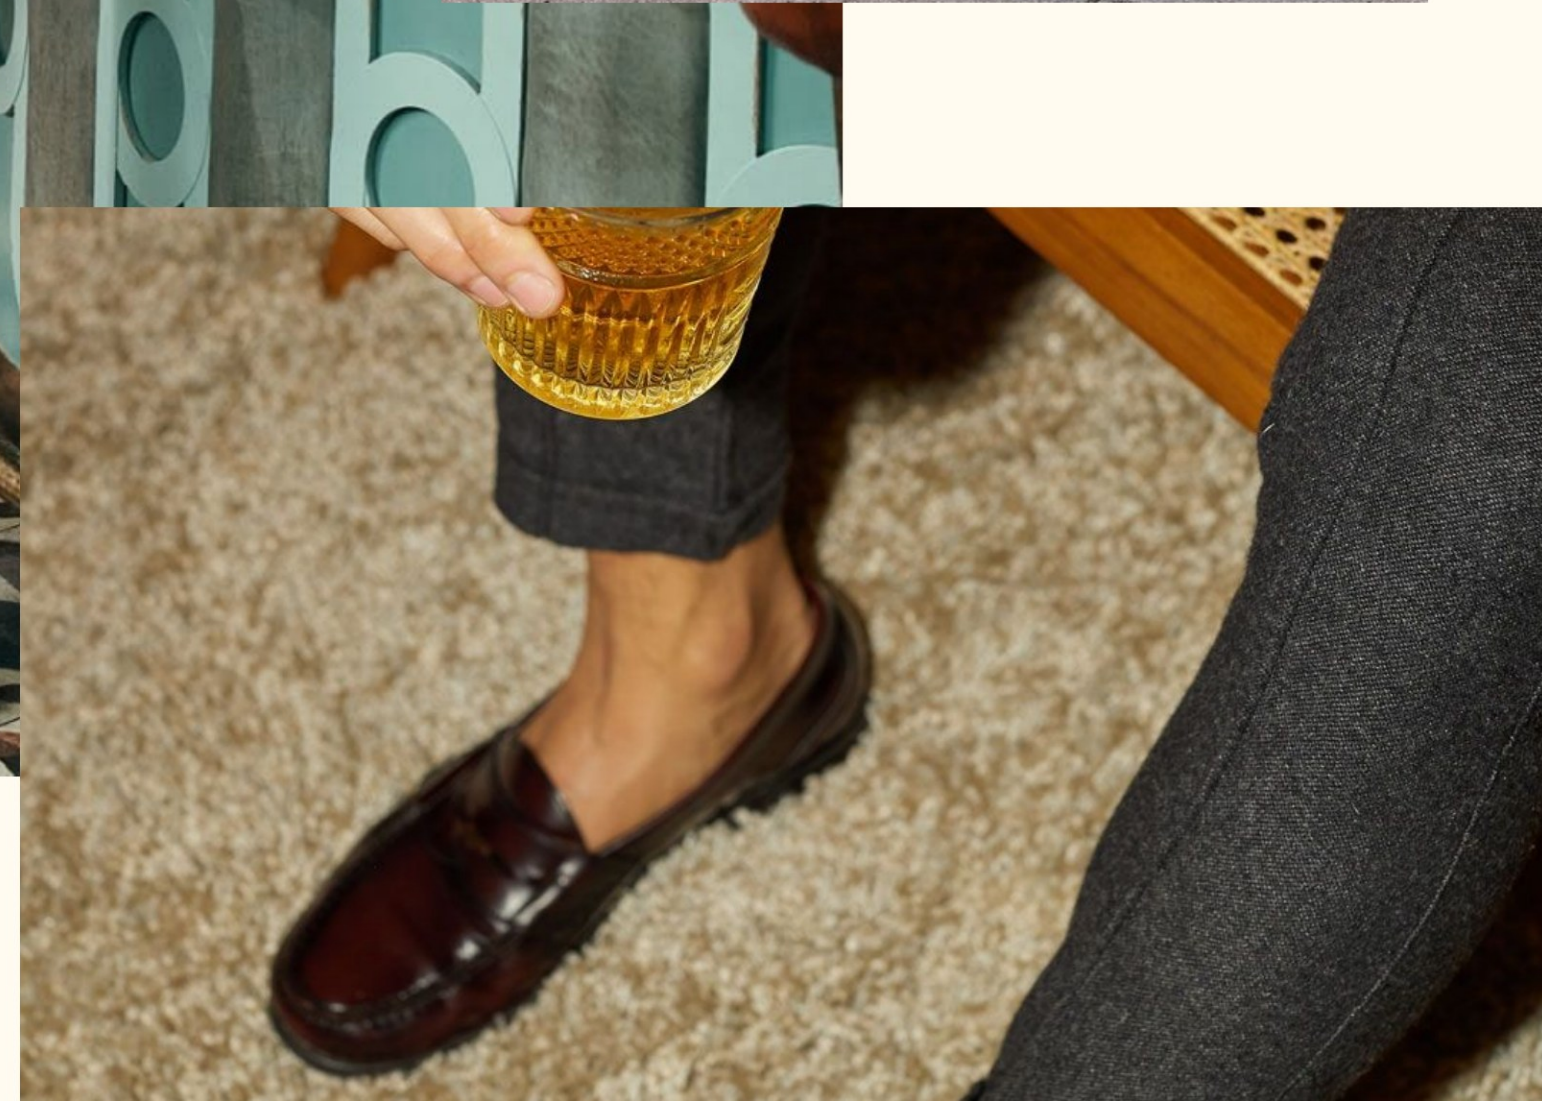

1. Classy Midi Dress: Select a comfortable midi dress with lace or satin details. Complement it with elegant earrings and classic stilettos for a timeless look that exudes sophistication.

2. Sophisticated Jumpsuit: Opt for a tailored jumpsuit with a cinched waist and wide legs. Add a pair of chunky boots or flats and a clutch for a modern twist on cocktail attire.

3. Trousers and a top: Try a wide leg trouser paired with a satin tank top, adding delicate jewelry and strappy heels or whatever is comfortable for you.

1. **Smart Casual Outfit:** Try pairing dark jeans with a fitted blazer and a cool button-up shirt. Slip on some loafers for a chill yet classy vibe.

2. **Stylish Vest Combo:** Rock a tailored vest over a dress shirt, teamed up with chinos and brogues. This combo hits the sweet spot between formal and casual, making it great for a night out.

3. **Collared shirt and belt:** A simple collared shirt, any sleeve length, with a nice trouser and a white tennis shoe.

Chelsea Boots: A sleek pair of black or dark gray Chelsea boots adds a modern touch. They're awesome with slim-fit jeans, and throw on a casual long sleeve shirt or a stylish blazer to complete your trendy cocktail look.

Loafers: Perfect for a laid-back cocktail party, grab some loafers in navy or burgundy. They go well with dress pants or chinos, and a light blazer can really pull the look together.

Oxford Dress Shoes: Go for classic black or dark brown oxfords. They look great with a tailored suit or even a smart casual outfit. Pair them with a crisp white long sleeve shirt for a polished vibe.

White shoes are a great choice for a casual cocktail party. They can elevate your outfit, especially with tailored trousers or chinos. Try pairing white sneakers with a button-up shirt and light blazer, or opt for white loafers for a relaxed yet sophisticated look. Accessorize with a colorful belt or watch to finish your ensemble!

We look forward to
seeing you there!
