**Dear  
POTENTIAL  
partners,**

**The Ministry of Digital Affairs  
of Poland is pleased to invite  
you to the LSP Potential two-  
day event, taking place on:  
29-30 September 2025  
Concordia Design, Wyspa  
Słodowa 7, 50-266 Wrocław**

This event will bring together  
leading experts in the field of  
digital identity for a rich  
program including:

- Conference sessions with panels and expert discussions
- Workshops on topics such as cybersecurity, onboarding to the EUDI Wallet, QES pilot, certification, legislation, and more
- Interoperability sessions to test prototype wallets from different countries in near real-life conditions

Evening networking opportunities to connect with peers and stakeholders

The LSP Potential event will also serve as a key moment to summarize the results of the project and reflect on the next steps for digital identity in Europe.

Please find attached the agenda of the event. We look forward to welcoming you in Wrocław for this important gathering. Please confirm your participation by registering here in this forms.
