

MENLO PARK, CA

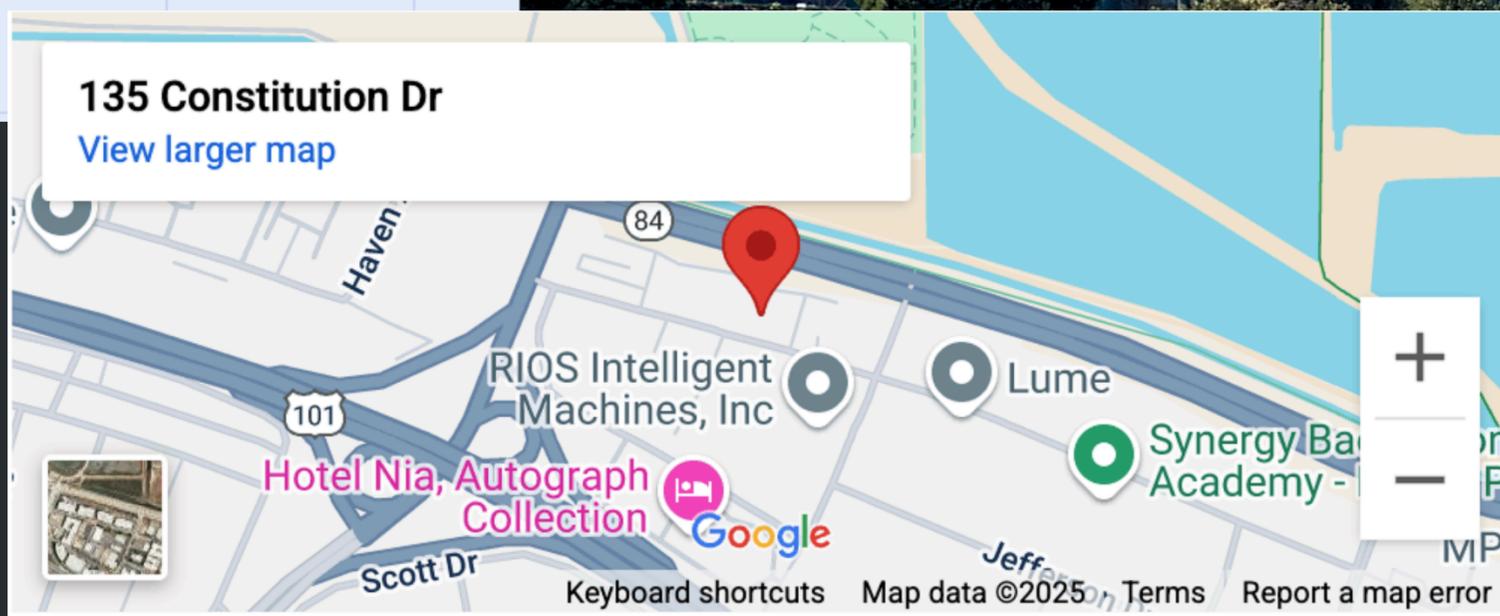

ARRIVAL GUIDE

Get ready to dive into where the magic happens and the future of AI is shaped! We're excited to have you join our community of developers, startups and executives.

FIND YOUR WAY HERE

Our spot

We're on the 8th floor at [135 Constitution Dr.](#)
[Menlo Park, CA 94025](#)

GET DIRECTIONS

PARKING & PUBLIC TRANSPORT

Parking

We've got you covered!
You can self-park in the garage
right next to the 135 building.

FYI for our EV drivers:

While there are charging spots available on-site, they're currently reserved for employees. So unfortunately, you won't be able to use them during your visit. Thanks for your understanding!

Caltrain

The Menlo Park Station is our closest stop, with both local and limited service. To find your train in real-time, check out the [Caltrain schedule](#) or use this new cool [Caltrain Streamlit app](#).

BADGE ACCESS

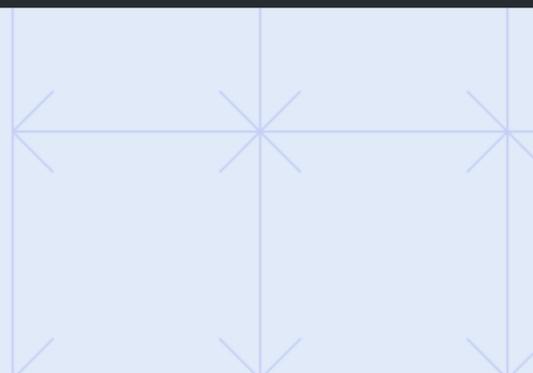

Let's get you in!

When you arrive, pop over to the reception desk in the 135 building to snag your personalized access badge. This will get you access to the 8th floor and into our designated event spaces.

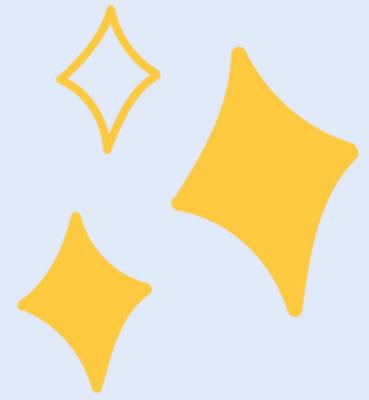

See the elevator with the SVAI Hub logo? That's your ride from the lobby straight to the good stuff. And hey, please keep that badge visible while you're with us!

Pro Tip: Skip the line!

Keep an eye on your inbox! About 24 hours before your event kicks off, you'll get a pre-registration link from Envoy. Fill that out, and you'll be set for quicker access.

WHAT'S IN STORE?

Views that'll make your jaw drop

Our space is basically a postcard with breathtaking panoramic views of the bay. Plus, we've got indoor and outdoor areas perfect for meeting new people, grabbing a bite and snapping those LinkedIn-worthy pics.

Wellness room

Need a sec to pause, breathe or just recharge? Our wellness room is perfect for meditation, prayer or just a minute break.

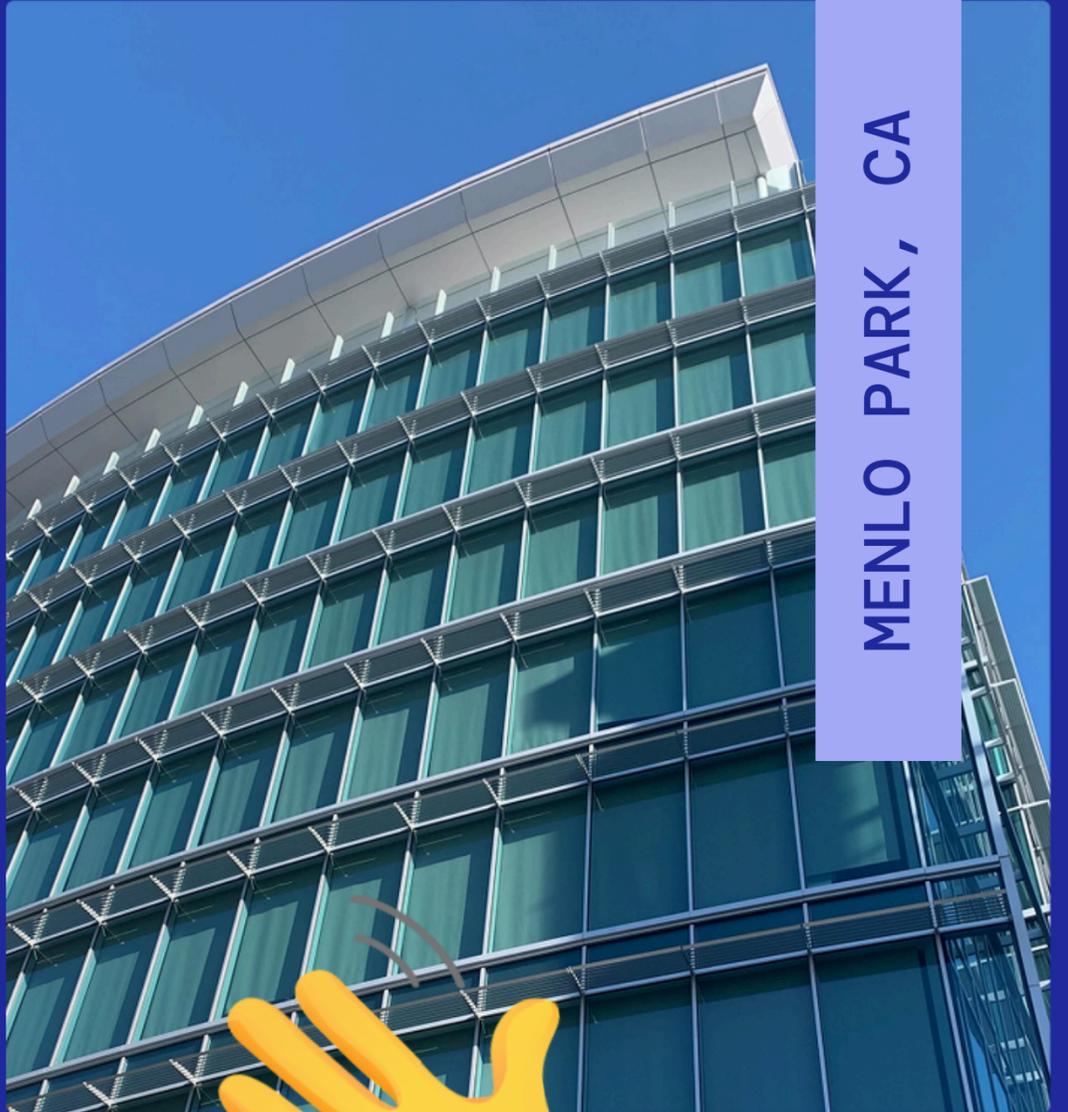

Connect & level up your skills

Meet new people who are just as passionate about AI as you are!

Future co-working space

Psst... big news! We're also opening up our space for co-working, specifically for startups. Keep an eye out for details on how you can be a part of this awesome opportunity!
