Audience Composition

Toronto Tech Week

Toronto Tech Week is a citywide celebration of the people building what's next. **From May 26–29, 2026**, founders, investors, and builders come together for hundreds of community-led events across Toronto, connecting tens of thousands of people around Canadian tech.

[Torontotechweek.com](https://torontotechweek.com).

Event Promotion Reach

- Toronto Tech Week global community
- Gatherly global community
- LinkedIn paid promotion

Combined promotional reach: **200,000+** professionals

Promotion Channels

- CEO Networks
- AI Community Networks
- Investment Capital Networks
- Higher Education Networks
- Professional Networks in HR and Tech

Event Visibility + Benefits

- Brand exposure to 300+ live attendees
- Visibility in all marketing campaigns (200,000+ email subscribers)
- Direct attendee contact data post-event (*opt-in only*)
- Participation in interactive event experiences

Partners also receive a **branded networking space** where attendees gather to interact with each other and discover your product.

- The Gatherly Events Team meets Presenting Partners for dedicated calls to **curate** and **co-design** these in-event spaces.

The Partner Booth Experience

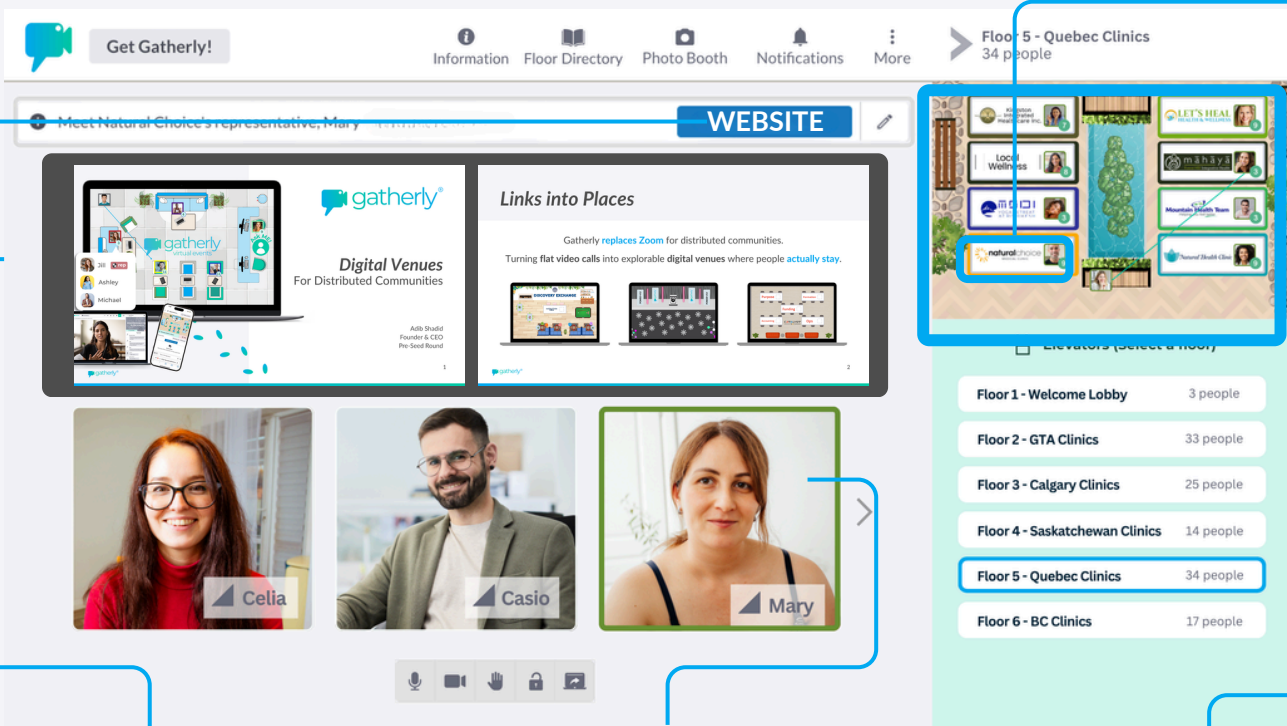

Attendees will organically experience your brand - just like in-person!

Direct booth visitors to custom links

Track visits to your site, LinkedIn page, or product demos

Partner booths in Expo Hall

All booth traffic is tracked and shared back with partners post-event.

Share relevant content

Each partner booth is embedded with either videos, graphics, or website iframes.

Allow reps to staff your booth

Real-time video interaction with up to 20 participants per booth.

Feature highlights: live polls, Q&A, announcements, demos/links, hand-raising, moderated audio

Gain exposure on the Partners Floor

A designated floor for event partners, separate from founder booths.
