

# **Frequently Asked Questions**

**Q: How do I access the complimentary eBook?**

A: Upon registering for the event, our organizers will email you a download link within two business days. This eBook serves as pre-reading material for the masterclass. If you encounter any issues, please contact Tianyu on LinkedIn.

**Q: Are there other free resources available?**

A: Yes! We offer a comprehensive eBook on AI images, accessible via [<https://tianyuxu.gumroad.com/l/dalle>], even without event registration (Yes, you can download it now!). This resource provides a valuable introduction to generating AI images effortlessly.

**Q: Do I need to purchase paid AI tools in advance?**

A: No, it's not necessary. While the workshop explores the full capabilities of these tools, often available through subscriptions, many offer free trials or credits. You can still participate using free versions.

**Q: Is this session suitable for beginners?**

A: Absolutely! Our session focuses on practical applications of generative AI tools, making it accessible to all. You'll be surprised at what you can achieve with AI after attending.

**Q: Are you affiliated with any AI tools used in this training?**

A: No, we are not affiliated with any AI tools.

**Q: Do I need to bring a laptop?**

A: Bringing a personal device is optional. Feel free to follow along or simply sit back and listen. You can still participate during live demos.
