

From Giving to Impact

Advancing Philanthropy Across the UAE

November 2, 2026

1:00 PM

ATÖLYE Dubai

We are pleased to invite you to the Philanthropy Impact Lab, a closed-door working session bringing together key government, private-sector, philanthropic, and community stakeholders to explore how philanthropy can drive strategic, coordinated, and measurable impact across Arts & Culture, Sports, Youth & Education, Environment, and Technology & AI in the UAE.

The Lab will examine current philanthropic efforts, identify gaps and areas of fragmentation or underfunding, and explore opportunities to better align philanthropy with government and private-sector efforts to create meaningful, lasting impact.

Key Discussion Areas

- Arts, Culture and Heritage Funding
- Sports Access and Youth Participation
- Education, Skills Development and Youth Empowerment
- Environmental Sustainability and Conservation
- Technology and AI for Social Impact

Session Format

A closed-door, facilitated dialogue combining plenary discussion and curated roundtables, designed to encourage candid exchange, practical problem-solving, and commitment to clear next-step actions.
