

AN EVENING SEMINAR FOR ACCOUNTANTS & BOOKKEEPERS

AI Workshop for Accountants

AI won't replace bookkeepers. **Bookkeepers who use AI will.**

Free **\$100 Uber voucher**

So parking and traffic are less of a challenge and your ride is smooth.

100% Free

Dinner & Drinks Included

Bring Your Colleagues

→ **Run live prompts on Claude Cowork**

DATE

Thu, Aug 20

2026 · Gates open 5:45

TIME

6:00 – 9:00 PM

Program + dinner

WHERE

Near JWA

John Wayne Airport area · address TBA

THE EVENING

6:00–6:05

Opening remarks

6:05–6:30

Intro to the AI ecosystem

Chats vs. agents vs. accounting-specific tools — what's out there, and how firms are actually using it to get more efficient.

6:30–6:35

Break

6:35–7:30

Live demo: AI-powered bookkeeping on Claude Cowork

Real workflows, real use-cases — transactions, reconciliations, and clean-ups, done live.

7:30–7:35

Break

7:35–8:00

Looking forward: staying competitive

A candid conversation on where the profession is headed over the next decade — and how to stay ahead of it.

8:00

Dinner & drinks — on us
