Parking & Transportation

Parking is available at Millcreek Common, in the new public parking garage with its entrance on Chambers Avenue (just west of Millcreek City Hall), and in nearby public parking areas.

Overflow public parking is available at:

- The public parking lot north of Millcreek Common
- The dentist office parking lot across from Crown Burger on Highland Drive
- The Other Side Thrift side parking lot at 1330 East & 3300 South

Please follow all posted parking signs and directions from event staff.

Please Do Not Park In:

- Harmons
- Tres Hombres
- Walgreens

These businesses actively enforce their parking policies, and unauthorized vehicles may be towed at the owner's expense.

To help reduce traffic and parking congestion, we encourage attendees to carpool, walk, bike, or use other alternative transportation when possible.

Accessible (ADA) parking is available in designated spaces near the venue. Please display a valid accessible parking permit when using these spaces.

Thank you for helping us be good neighbors and ensuring parking remains available for both festival attendees and surrounding businesses.
