

The Greater New Haven Bioscience Collaborative presents

SPRINT Welcome Event @ BAR New Haven

THURSDAY, JUNE 18, 2026 | 4:00 - 6:00 PM

BAR | 254 Crown Street | New Haven, CT

Welcome to the SPRINT (Student Program to Ready Interns for Next-generation Talent) Summer Internship Program!

As part of your internship, you are joining a cohort of interns who are interning in life sciences across the state this summer.

During the SPRINT Welcome Event, you will get to learn more about the SPRINT program and future events, **hear from life sciences leaders across the state, connect and network with other interns**, and enjoy the famous New Haven pizza at BAR!

Join us for this kick-off event as we welcome you to life sciences in Connecticut!
